SAF brings students and farmworkers together to learn about each other’s lives, share resources and skills, improve conditions for farmworkers, and build diverse coalitions working for social change. Each year, SAF reaches 5,000 farmworkers, develops the leadership of 50 young people, and educates thousands more students and community members through trainings, coalitions, and organizing.

Please consider making a one-time donation or becoming a “perennial” (monthly) donor to help sustain SAF’s work for the long haul. Check out our donor levels on the back.
