How To Apply

Thank you for applying for the Into the Fields Program. SAF does not discriminate in its selection process on the basis of race, color, ethnicity, citizenship, religion, national origin, sexual orientation, sex, gender, age or ability. SAF gives preference to and actively recruits current and former farmworkers and people from farmworking families to reflect the constituency of the organization. Members of under-represented groups are particularly encouraged to apply. All application components must be completed electronically and submitted by Saturday, February 3, 2019. In order for your application to be complete, you must: 1. Complete this online application form which includes a short essay (not an item to upload but a question in the application). Before submitting your online application, you may download a sample pdf version of the application in order to prepare your answers from our website. Note: There are several questions on the application where you will be able to select multiple answers. To select multiple items use the command key or the shift key. 2. Resume: At the end of the application, you will be prompted to upload a one-page personal resume listing your contact information, academic, work, and volunteer experience. 3. Get a professor or Spanish speaking professional to fill out a Spanish Language Evaluation Form about you. Form available here: <https://docs.google.com/forms/d/1DzB4kwavLmB-RvomEhwwVH2PoneQGwr1MRb2UKsQKRw/edit> Native Spanish speakers are waived from this requirement. 4. Participate in an interview. After we have received your completed application, we will contact you to schedule your interview. 5. Pay a \$20 application fee with your credit or debit card here or by mailing a check to SAF, 1317 W. Pettigrew St, Durham, NC 27705. CAMP students: Your CAMP Program may have resources available to cover the fee or reimburse you. Please discuss this directly with your CAMP Director. UNC APPLES students: The application fee is waived. You will receive an email with a copy of your application after you submit it. If you have questions or concerns about the application process, please contact Ramón Zepeda at his email or at 919-660-0704.
